Trial Offer: Eligible 2015 model year and newer vehicles receive 1 month of OnStar Safety & Security coverage and 1 month of Connected Services, which includes navigation and the Remote Access Plan, and 1 month or 3 GB of in-vehicle data (whichever comes first) from reactivation. Services are subject to terms and limitations, and capabilities vary by model. Mobile app features require automatic locks and factory-installed and enabled remote start system. When you select a monthly plan within 30 days of activating your 1-month trial, you'll receive the next 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1.888.466.7827. May not be combined with other offers or retroactively applied. Offer subject to change. **Safety & Security:** OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. **Stolen Vehicle Assistance:** Requires armed GM factory-installed theft deterrent system. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. **In-Vehicle Data:** For use in the U.S. only. Prepaid session-based data plans provide you with access to AT&T wireless data services for your equipped vehicle including, but not limited to, features that may be used with wireless data services, content and application. Eligible vehicle, data plan and compatible SIM card required. **Duration:** Session-based prepaid plans for 30 days. **General Wireless Service Terms:** Subject to AT&T Session-Based Wireless Data Services Agreement available at att.com/USTermsandconditions. Pricing, offer and terms subject to change and may be modified or terminated at any time without notice. Coverage and service not available everywhere. Services are subject to terms and limitations. **In-Vehicle Apps:** Available on select 2017 model year and newer GM vehicles with compatible hardware. Requires active service plan and paid AT&T vehicle data plan. **On-Demand Diagnostics:** On-Demand Diagnostics capabilities vary by model and plan. **Connected Navigation:** Connected Navigation and Real-time Points of Interest (POI) only available on properly equipped vehicles. Requires paid plan or trial. Map coverage available in the U.S., Puerto Rico and Canada. **Vehicle Mobile App:** Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. Terms apply. Device data connection required. Mobile Crash Response

When the app detects a collision, it will alert an OnStar Advisor who will tell First Responders exactly where you are and what type of help you need.

Location Status

You can see the real-time location of people in your network, set notifications for arrivals and departures, and save favorite locations.

Roadside Assistance

If the car you're traveling in needs a jump or tow or gets a flat, or if you get locked out (whoops!), use the OnStar Guardian app.

Emergency Services

You'll have a priority connection to an Emergency Advisor trained to help with heart attacks, CPR, severe weather and more while contacting First Responders for you.
